Dallas, TX • (682) 558-6546 • brooksphilipps@gmail.com

EDUCATION

Southeastern University

Master of Business Administration

Dallas, TX

July 2027

- GPA: 4.00/4.00 | Relevant coursework: Enterprise Finance & Accounting, Organizational Behavior

Texas Tech University

Bachelor of Arts, Economics; Business Minor

Lubbock, TX

May 2026

- GPA: 4.00/4.00 | Summa Cum Laude, Presidential Honors, Club President

PROFESSIONAL EXPERIENCE

Goldman Sachs

Risk Analyst

Dallas, TX

July 2026 – Present

Risk Summer Analyst

June 2025 – August 2025

- Prepare board and senior-management materials synthesizing risk exposure, control effectiveness, and emerging risk themes across credit portfolios, and assist on the New Activity Committee evaluating proposed business initiatives for credit and risk implications ahead of approval decisions.
- Covering the second-line Credit Review team, challenging primary credit risk ratings and underwriting processes across wholesale portfolios, contributing to RCSA and senior management decision-making.
- Review and challenge credit memos from the Private Equity Capital Call credit team, assessing subscription-line structuring and borrowing base coverage.
- Serve as an AI Champion for the Risk division, piloting AI tools to streamline credit workflows, while supporting divisional budgeting and campus recruiting efforts.

Federal Deposit Insurance Corporation

Bank Examiner Intern

Lubbock, TX

May 2024 – January 2025

- Performed CAMEL-based financial analysis (Capital adequacy, Asset quality, Management, Earnings, Liquidity) on loan portfolios at 15+ banks spanning C&I, CRE, and consumer books, evaluating underwriting quality, borrower cash flows, concentration risk, and collateral adequacy.
- Evaluated interest rate sensitivity across aggregate bank assets; identified credit and reporting discrepancies and recommended corrective actions adopted by examination leadership.
- Presented findings directly to bank executives and senior regulators during on-site examinations, defending conclusions under scrutiny.

Hackberry Creek Getaways

Assistant Property Manager

Wills Point, TX

May 2020 – April 2024

- Assisted financial operations for a multi-property real estate portfolio — budgeting, P&L, and vendor negotiation — driving \$12K in annualized cost savings.
- Managed digital marketing, pricing strategy, and performance tracking across the portfolio to drive occupancy and revenue growth.
- Developed client service, organizational, and day-to-day operational strategy while sustaining 95% tenant satisfaction.

PROJECTS

Financial Modeling Portfolio – brooksphilipps.github.io/portfolio

July 2026 – Present

- Built 5+ integrated financial models, including three-statement, DCF, LBO, and operating models across public and private companies to evaluate valuation, capital structure, and investment returns.
- Conducted industry, competitive, and financial due diligence to assess business quality, key value drivers, and investment risks across companies, producing investment recommendations supported by quantitative analysis.

Independent Social Media Platform

September 2021 – Present

- Founded and independently grew a digital media platform to 1M+ followers and 200M+ cumulative reach, defining long-term content strategy, brand positioning, and audience development from inception.
- Built repeatable, data-driven content optimization processes using audience analytics, A/B testing, and trend identification to maximize engagement.
